*Based on notional turnover for equity futures, equity options and commodity segments. The same parameter is used for calculating retail turnover market share.

\$ Based on notional turnover for equity futures and commodity and premium turnover for equity options. The same parameters are used for calculating retail turnover market share.

^ Due to unavailability of MCX data for June 7th, 12th and 18th, the same is excluded from Angel One's commodity turnover for computation of June '24 and Q1 FY25 commodity market share. However, Angel One's Commodity ADTO is reported for the entire period.

The above information is as per limited review by the Management Team. The Company intends to provide the updates on a monthly basis.

Thanking you,
