whereas for the F&O segment the computation methodology is same as before. Due to unavailability of data in same format for April '22, market share computation methodology is the same as before. In our earlier bulletins, the market share for overall equity segment, which included cash segment, was being calculated based on data available under Others category, of which Retail was a part.

The above information is as per limited review by the Management Team. The Company intends to provide the above updates on a monthly basis.
